

Model: ZK003

Product Photo

Product Features

- *All aluminum alloy case
- *Intelligent temperature control fan cooling
- *Small size, compact structure, flexible installation
- *Integrated Intel Core 4th/5th/6th/7th generation processors
- *Support diskless boot/Power-on boot/Network wake-up/Automatic timing switch
- *4K HD DP interface. Dual Gigabit Ethernet ports. 8 USB Ports
- *Support WIFI wireless Internet access

Support CPU Type

Core 4th Generation: i3 4005U, i5 4200U, i7 4500U
 Core 5th Generation: i3 5005U, i5 5200U, i7 5500U
 Core 6th Generation: i3 6100U, i5 6200U, i7 6500U
 Core 7th Generation: i3 7100U, i5 7200U, i7 7500U

Specification

CPU	Intel Core Series Processor
Memory	1*SO-DIMM.DDR3L dual-channel memory slot, maximum support 16GB
Hard Disk	1*SATA 2.5-inch hard drive slot, 1*MSATA
GPU	Integrated Intel HD Graphics HD series display core
Network	1*RTL8111G/H Gigabit network card, support wake-up call 1*MINI-PCIE interface, support 2.4G/5G WIFI communication
Audio	Realtek ALC chipset
Display Port	VGA/HDMI, support synchronous and asynchronous display
OS System	Support win7/win8/win10/linux, etc.
BIOS	Support power-on boot, Power-on by alarm, Network Wake-up, Diskless boot
Interface	4*USB3.0, 4*USB2.0, Power Port, Network Port, HDML, Audio port, WiFi Port,
Size	130*130*45/40mm
Installing way	Desktop
Working Temperature	0-70°C
Storage Temperature	-20-70C
Working Humidity	5%-95% relative humidity without condensation
Case Color	Black (more quantity can be customized)
Power	External power adapter, input AC 110V-220V Output DC 12V/5A
